Quest for Gold – Ontario Athlete Assistance Program 2009-2010
ATHLETE SELECTION CRITERIA TEMPLATE

Quest for Gold – Ontario Athlete Assistance Program 2009-2010 (OAAP) is funded by the Government of Ontario, through the Ministry of Health Promotion (MHP), and operated through the Sport and Recreation Branch. The overarching goal of the *Quest for Gold* – OAAP is directly related to the Enhanced Excellence goals of both *ACTIVE2010* and the *Canadian Sport Policy* – to improve the performance and number of Ontario athletes performing at the national and international level; thereby contributing to the improved performance of Canada at international competitions. Specific objectives of the program are:

- a) To help athletes continue their pursuit of athletic excellence at the highest levels of national and international competition;
- b) To encourage athletes to stay in Ontario to live and train;
- c) To compensate athletes for earnings lost while training;
- d) To enable athletes to successfully pursue excellence in sport while fulfilling their educational goals;
- e) To increase athlete access to improved high performance coaching; and
- f) To enhance training and competitive opportunities available to athletes.

The program will provide direct financial assistance to Ontario junior-aged athletes through an “Ontario Card” designation. “Junior-aged athlete” is defined as those athletes who fall within the eligible age range for the Canada Games - 11 to 22 years of age. (Consideration will be given to older junior-aged athletes if a PSO/MSO’s NSO-approved Long Term Athlete Development model (LTAD) identifies older athletes in the “Train to Train” and “Train to Compete” categories). The intent of the OAAP is to provide funding to individual athletes based on their demonstrated commitment to high performance sport, allowing them to pursue athletic excellence at the highest levels of national and international competition.

How does it work?

In accordance with the OAAP guidelines, the Skate Ontario is responsible for developing sport specific selection criteria and forming a Selection Committee that will apply the criteria to select those athletes who will be awarded Ontario Card status in 2009-2010. The Selection Criteria is approved by the Board of Directors and reviewed by MHP staff. Nominated athletes will be required to sign and comply with an Athlete Agreement between the athlete and Skate Ontario. Carding status will be for one year starting April 1, 2009 ending March 31, 2010.

In 2009-2010, the Ministry of Health Promotion allocated a certain amount of OAAP Ontario Cards to each eligible Provincial Sport / Multi-Sport Organization (PSO/MSO). Skate Ontario has been allotted a total of 16 Ontario cards..

The 16 cards issued to Skate Ontario will be allocated as follows:

	Male	Female
Full Cards – 14 (Junior and Senior athletes)	7	7
- 3 cards for ladies singles		
- 3 cards for mens singles		

- 4 cards female partner dance/pair - 4 cards male partner dance/pairs		
Half Cards - 2 half cards female partner pairs or dance 2 half cards male partner pairs or dance	2	2

Cards will be specifically allocated to the following categories/disciplines:

Category	Number of cards
Pair teams/Dance teams – Junior/Senior level	8 Full Cards (4 male, 4 female)
Singles – Junior/Senior level	6 Full Cards (3 male, 3 female)
Pair teams/Dance teams – Novice level	4 half cards – (2 male, 2 female)

In accordance with the OAAP guidelines Skate Ontario is responsible for forming a Selection Committee and sport specific selection criteria to nominate the athletes for Ontario carding status in 2009-2010. This selection criteria has been approved by the Skate Ontario Board of Directors.

The Selection Committee is comprised of the following members:

Tracey McCague-McElrea, Chair Quest for Gold Committee, Skate Ontario
Janet Balkwill, President, Skate Ontario
Susanne Morgan, Treasurer, Skate Ontario
Jan Armitage, Secretary, Skate Ontario

How much funding is available?

The exact level of funding for the 2009-2010 carding year will be determined by the Ministry after the total number of athletes nominated for Ontario Card status has been determined. Funding will be released prior to March 31, 2010.

How will the Skate Ontario Selection Committee decide who receives funding?

The Skate Ontario Selection Committee will use both the Ministry of Health Promotion Eligibility Criteria and the Sport Specific Selection Criteria detailed below to determine which athletes will be nominated by the Skate Ontario for Ontario Card status in 2009-2010:

Ministry of Health Promotion Eligibility Criteria:

All athletes must also meet the Ministry of Health Promotion's minimum athlete eligibility criteria:

- Athlete must be a Canadian citizen or landed immigrant;
- Athlete must be a resident of Ontario for one year prior to his/her nomination for carding status, with the following exception;
The residency requirement will be waived if the athlete is a direct family member of:
 - a regular force member, or

- a reservist as defined in subsection 1 (1) of the *Employment Standards Act, 2000* who is deployed under a circumstance described in clause 50.2 (1) (a) or (b) of that Act, or who is deployed or in any other way placed on active duty under a circumstance described in regulations made for the purposes of clause 50.2 (1) (c) of that Act.
- Athletes must be training and continuing to train in Ontario. Exceptions (“Residency Exceptions”) will be made on a case specific basis providing that the athlete can substantiate that:
 - He/She cannot receive the required level of training in Ontario and is out of the province **temporarily** during the year (i.e. due to lack of facilities, coaching, competitions);
 - ▶ The onus is on the athlete to demonstrate that he/she needs to be out of province. The athlete will submit written documentation to their PSO/MSO’s Selection Committee clearly indicating how they meet these exceptions. The Ministry may require that the athlete provide supporting documentation from the athlete’s PSO/ MSO, National Sport Organization (NSO) or other sources to verify reasons for athlete’s absence from the Province of Ontario.
 - He/She must attend a post-secondary institution out-of-province because the course of study is not available to him/her in Ontario;
 - It is more financially feasible to attend a post-secondary institution out-of-province, or other extenuating circumstances that require the athlete to be out of the province.
- Athlete must be a member in good standing with PSO/MSO and NSO where applicable.
- Athlete must have entered into a Sports Organization - Athlete Agreement with his or her PSO/MSO and must be in full compliance with the terms and conditions of that agreement.
- Athlete must demonstrate a commitment and dedication to a proper training and competitive program.
- Athlete must be instructed by a coach who has been trained and certified in the National Coaching Certification Program (NCCP) Level 2 or equivalent.
- Athlete must not be under sanction as per the Canadian Anti-Doping Policy.
- Athlete must be attending an educational institution full-time (i.e. primary and secondary schools)
 - Exceptions will be made providing that the athlete can substantiate that his/her training will not allow for full-time attendance or if an athlete requires special needs that preclude full or part-time attendance (e.g. Athlete with a disability (AWAD))
- Athletes who have completed their area of study at the secondary level (i.e. high school) and who continue to train towards participation in major national or international competitions will also be given consideration.
- If eligible, the athlete must compete, and continue to compete for Ontario and/or Canada for one year from the date of the Minister’s letter informing the athlete of acceptance into OAAP program, at Canada Games and other national competitions involving provincial team competitions. Athletes who have achieved Canada Card status are not eligible for Ontario Cards.
- Eligibility will be limited to Ontario junior-aged athletes (“junior-aged” refers to chronological age, not a sport’s specific age category - only exception is for PSO/MSOs using 30% of Ontario Card allotment for Senior level athletes not funded by Sport Canada – see note below) who have been identified as a next generation national team athlete as demonstrated by:
 - Identification within the NSO pool of identified next generation national team athletes for the last two competitive seasons; OR
 - Results at regional championships, national championships (junior and/or senior) or other recognized national/international competitions over the last two competitive seasons; OR
 - Representation on a Canadian National Team (developmental and/or junior). Athletes training for Canada Games or provincial teams may also be considered.

Important Notes:

- To be deemed a potential next generation national team athlete, the athlete must be age-eligible to compete on the national team in the year following receipt of Ontario Card funding.
- All athletes under the age of 18 must have their parent or legal guardian sign their OAAP application form. Cheques will be processed in the name of the eligible athlete.
- Athletes who are attending any foreign post-secondary educational institution (including NCAA institutions) and are receiving an athletic scholarship in any sport are not eligible to receive OAAP support.
- An athlete that received Sport Canada Carding between April 1, 2008 and March 31, 2009 and/or April 1, 2009 and March 31, 2010 and is no longer in receipt of Sport Canada Athlete Assistance shall not be eligible to receive *Quest for Gold* funding during fiscal year 2009-2010 (April 1, 2009 to March 31, 2010.) The intent of this rule is to prevent athletes whose performance levels and rankings no longer qualify them for Sport Canada carding from taking an Ontario Card from a future national-level athlete. However, exceptions may apply and will be considered on a case-by-case basis. Exceptions may include, but may not be limited to logistical or administrative changes, injuries, etc.
- An athlete can only be nominated to receive *Quest for Gold* funding in one sport.
- The onus is entirely on the athlete to determine the impact of accepting OAAP funding on current or future NCAA eligibility and to decide whether or not to accept OAAP funding. The athlete will be required to acknowledge this onus and responsibility when signing the OAAP Ontario Card application form and agreeing to the related terms and conditions of the program. Athletes are strongly encouraged to contact the NCAA Eligibility Center to determine the impact of *Quest for Gold* - OAAP funding on current or future eligibility for a NCAA scholarship or on eligibility to compete in a non-scholarship NCAA sport.
- In the event of a conflict or inconsistency, the selection criteria established by the Ministry and set out the Athlete Handbook provided to each nominated athlete shall prevail over the selection criteria established by the PSO/MSO.

Sport Specific Athlete Selection Criteria:

The following sport specific athlete selection criteria will be utilized in the identification, ranking and selection of athletes for Ontario Cards:

Athletes selected by the Skate Ontario Athlete Selection Committee for Ontario carding under the Ministry of Health Promotion's Quest for Gold program must meet the eligibility criteria detailed above. Selection will be based on the results of athletes who represented Ontario at the 2009 BMO Canadian Championships and Junior Nationals.

For pair teams and dance couples, Ontario cards will be awarded to both partners. Four Full Ontario cards for female athletes and four Full Ontario cards for male athletes will be designated for Senior and Junior pair teams and dance couples. For eligible Novice pair and dance teams, two female Half Cards and two male Half Cards will be available. To be eligible for carding during the 2009/2010 skating season, pair teams and dance couples must be competing in the 2009/2010 skating season with the partner with whom he or she competed in the 2008/2009 skating season.

Three Ontario cards will be designated for female single skaters and three for male single skaters. To be eligible for carding, single skaters must be competing in the men's or ladies category for Ontario during the 2009/2010 skating season.

Athletes will be selected according to the ranking of the results of the Canadian Championships and Junior Nationals. For example, athletes ranked first will be selected first before athletes ranked second, and so on.

Skate Ontario is permitted to name alternate athletes to receive Ontario card status in the event that a nominated athlete becomes ineligible to receive all or the balance of his or her funding during the year. The list of alternates will be posted together with the list of nominated athletes on the Skate Ontario website.

Selection will be made based on the following priority:

- A. **Cards for Singles Athletes** (3 Ontario cards for female athletes and 3 Ontario cards for male athletes)
- First priority will be given to medal winners in the Junior category at the 2009 BMO Financial Group Canadian Championships
 - Second priority will be given to athletes finishing first through fifth in the Senior category at the 2009 BMO Financial Group Canadian Championships and who are not nationally carded
 - Third priority will be given to athletes finishing fourth and fifth in the Junior category at the 2009 BMO Financial Group Canadian Championships
 - Fourth priority will be given to athletes finishing sixth through tenth in the Senior category at the 2009 BMO Financial Group Canadian Championships
 - Fifth priority will be given to athletes finishing first through fifth in the Novice category in the 2009 BMO Financial Group Junior Canadian Championships
- B. **Cards for Junior and Senior Pair Teams and Dance Couples** (4 Ontario cards for female athletes and 4 Ontario cards for male athletes)
- First priority will be given to medal winners in the Junior category at the 2009 BMO Financial Group Canadian Championships
 - Second priority will be given to athletes finishing first through fifth in the Senior category at the 2009 BMO Financial Group Canadian Championships and who are not nationally carded
 - Third priority will be given to athletes finishing fourth and fifth in the Junior category at the 2009 BMO Financial Group Canadian Championships
 - Fourth priority will be given to athletes finishing sixth through tenth in the Senior category at the 2009 BMO Financial Group Canadian Championships

C. Cards for Novice Pair and Dance Teams

- Fifth priority (2 full cards given out as 4 - 1/2 cards) will be given to athletes finishing first through fifth in the Novice category in the 2009 BMO Financial Group Junior Canadian Championships

Athletes selected for Ontario carding by the above selection priority criteria will be advised by Skate Ontario to submit an online Ontario card application and to complete a Skate Ontario Quest for Gold Athlete Agreement. These must be completed and the agreement returned to the Chair of the Skate Ontario Athlete Selection Committee no later than **23:59 on Tuesday, October 13, 2009**. Late applications will not be accepted. Athletes will receive confirmation of their Ontario carding by the Ministry of Health Promotion in December 2009.

Residency Exceptions:

Any athlete living/training outside of Ontario is required to **submit written documentation** to the Skate Ontario Selection Committee clearly identifying how they meet the following residency exceptions, identified in the Ministry of Health Promotion's General Eligibility Criteria:

- Athletes must be living and continuing to train in Ontario. Exceptions will be made on a case specific basis providing that the athlete can substantiate that:
 - He/She cannot receive the required level of training in Ontario and is out of the province **temporarily** during the year (i.e. due to lack of facilities, coaching, competitions);
 - He/She must attend a post-secondary institution out-of-province because the course of study is not available to him/her in Ontario;
 - It is more financially feasible to attend a post-secondary institution out-of-province, or other extenuating circumstances that require the athlete to be out of the province.

This information must be received by the Selection Committee by no later than **October 13th, 2009** in order to be considered.

Residency Exemption for Military Families: The one-year Ontario residency requirement is waived for any Ontario Card or Canada Card applicant who is a spouse or dependant of a: Regular Force member of the Canadian Forces; or Reservist currently deployed by the Canadian Forces into active service. This means that eligible military family members now qualify for OAAP funding immediately upon becoming residents of Ontario. Please see the 2009-2010 *Quest for Gold* Athlete Handbook for details of this exemption, including a list of documents needed to verify eligibility for this waiver of the one-year Ontario residency requirement.

Alternates:

Skate Ontario will also nominate alternates to those athletes nominated for Ontario Card status. Alternates will be those athletes who are ranked directly behind those athletes nominated for the allotment of Ontario Cards in a particular category/discipline. The names of alternates will be published along with the names of nominated athletes. If an athlete drops out or is removed from the OAAP an alternate will be substituted into that athlete's position, provided that:

- Alternate is substituted within 2009-2010 fiscal year;
- An alternate is available from the same category/discipline/card level (Full/Half);
- Funding for athlete being substituted is still available within fiscal year (e.g. full funding for card has not already been paid out to athlete no longer in program).
